History

On October 31, 2001 Chemetco, Inc., a secondary copper and lead smelter located near Hartford, IL shutdown and on November 13, 2001 filed for Chapter 7 Bankruptcy Protection with the U.S. Bankruptcy Court for the Southern District of Illinois, Case Number 01-34066. Laura K. Grandy was appointed as Trustee for the Bankruptcy (click on Contacts for information on contacting the Trustee.).

November, 2001 to Present – Trustee has maintained a staff at the site to comply with IEPA Seal Order to prevent release of materials of environmental concern, facilitate liquidation of assets, support bankruptcy activities, resolve past environmental claims, and support redevelopment of site, including disposition of over 1,500,000 tons of slags, sludges, and other materials of environmental concern left on the site.
